### World War 1 Tribute event

On Sunday 3 August 2014 - one day before the anniversary of the start of the Great War - we held a themed tea party at Heath End hall in the afternoon, with Tadley Concert Brass band playing a selection of songs from the era. A collection of memorabilia was on display, the sun shone, the band played, and the teas and cakes provided by Heath End WI, Trefoil Guild and Heath End Hall committee and friends had sold out by the end of the afternoon. It was a very enjoyable occasion, and, it was felt, a fitting tribute to those who served in World War 1.

Many descendants of local men brought their own memorabilia to put on display, and many remembrances were shared with others. All in all, 23 young men (average age 19) gave their lives for their country - most were unmarried and without children.

On Sunday 2 November 2014, at 11.00 am, the Reverend David Barlow will hold a service of commemoration at St Stephen's church, Baughurst, attended by the Mayor of Basingstoke and Deane, and a further service will be held at St Catherine's, Wolverton, that evening.

Bellringers from both churches will ring a muffled half peal to mark the event, which will be mirrored at St Mary's, Kingsclere.

St Stephen's church held a very successful Flower Festival during July, with some amazing floral displays.

### Tadley and Area Community Bus

Basingstoke and Deane have a trial evening bus scheme running as a pilot from Basingstoke to Baughurst on Friday and Saturday nights only. The nine month pilot will run from Friday 1 August 2014 until Saturday 25 April 2015. The bus will leave the bus station at 22.55 and the train station at 22.58. The success of the pilot will then determine whether it is possible to continue this service in the future.

### Land to the rear of Long Grove

We have finally taken ownership of this large area of land, and an independent tree survey has been carried out. As a result, several dead or dying trees have been removed, and remedial surgery carried out on many others. We now plan to cut back nettle and bramble, and to plant native species of shrub and small trees.

### Rights of Way and bridleways

Clearance and upkeep of these are the responsibility of Hampshire County Council, but we try to help where we can. Due to the warm and weather this year, many are overgrown, and we are seeking volunteers to help cut back vegetation, and tame overhanging trees and bushes. If you feel you would like to help, please contact the Clerk

### Open spaces

We are proud of our play areas, and try to keep them in good repair, clean and tidy. We have recently repaired damage to both Long Grove and Wolverton field equipment, but please do let us know if you witness vandalism or wilful damage. We are seeking 'Friends of Long Grove' Play area, who may be willing to help us keep an eye on the equipment in terms of vandalism and cleanliness. Please contact the Clerk if you are happy to help.

### Loddon Valley Day Care Centre

We care so that you can care at home for longer. The Loddon Valley Day Care Centre in Tadley could be your lifeline. Do you look after a loved one - husband/wife/parent/friend - at home? Would you like a few hours break every week and some time to yourself?

We know that 24/7 caring for an elderly person, particularly if they have dementia, is exhausting, and it is important that carers stay healthy so that they can continue to care at home. We are here to help you so that your loved one can keep on staying at home for longer.

At Loddon Valley Day Care Centre we can give you the break you want and need, and your loved one can be looked after by us for five hours a day, one, two or three days a week.

The Centre is based in Tadley and open 3 days per week between 10.00 am and 3.00 pm. We offer care to over 55s, many of whom have dementia, but we are here to help with a wide variety of needs. Each day we have a rolling programme of activities tailored to suit the needs of our clients, plus a hot two course lunch. At £19.50\* for the whole day we can offer five hours respite care for your loved one. If transport is a problem, speak to us and we may be able to help.

You are not alone, even though it may feel like it at times. Not one person can manage on their own to give 24 hours/7 days per week. We recommend that you and your loved one come along together for a cup of tea and to meet us. We will then take it day by day - you are not signing up forever. Please feel free to talk to us - you do not need a referral from your GP or medical professional. We are a small independent charitable organisation.

Please feel free to visit us at any time or telephone 07501 406573 or 0118 981 3868.

Loddon Valley Day Care Centre, Ambrose Allen Centre, Franklin Avenue, Tadley RG26 4ET.

### New Councillors

We are delighted to welcome two new Councillors - Colin Grenville for Baughurst Ward, and Chris Curtis for Baughurst Common Ward.

### Tidying up the Community around Hurst Community College

In April a number of volunteers, playing a high-tech treasure hunt game played throughout the world, called 'Geocaching', cleared all the litter from around the school. They collected 35 bags of rubbish as well as metal objects, old fuel cans, a buggy and bottles. Thanks are made to the team, who can be contacted, if you wish to help, on <http://coord.info/GC5192W>. (see picture below).

### Speedwatch

Our Speed Indicator Device is now in constant use, not just in Baughurst but in neighbouring parishes too, where we are renting it out. You may see groups of individuals manning the machine - they will be wearing high visibility jackets with 'Community Speedwatch' lettering on the back. Slow down!

Many motorists have received warnings from the Police as a result of excessive speeding along roads in Baughurst and Wolverton, having been notified by the Speedwatch team. We hope they will not re-offend, particularly those who have received penalties, fines and participation in speed awareness courses hosted by the constabulary. We are still seeking volunteers to help - please let the Clerk know.

### Tadley Library

Tadley Library will close for two days in November. The Library will be closed on Monday 24th November and Tuesday 25th November 2014. This is to allow for the complete replacement of the window blinds. The Library will re-open on Wednesday 26th November 2014.

During this very short closure customers will be directed to Basingstoke Discovery Centre (Monday and Tuesday) or South Ham Library (Tuesday only) where they will be able to return items, collect requested books and choose new items.
